OUR HISTORY

Spring Meadows Country Club is a private country club located in Linden, Michigan. Established in 1957, over the years we have seen dramatic growth and improvements to both our golf course and clubhouse. In 2017, Spring Meadows C.C. is celebrating its 60th anniversary of providing its members with an ideal family oriented setting in which to entertain and relax with family, friends and business clients.

Spring Meadows offers an impressive and challenging 18 hole golf course, putting green and driving range. Our golf course varies from 6,923 yards from the championship tees to 5,300 yards from the ladies tees. No tee times are needed. The putting green and driving range are available to use at any time. There are three onsite PGA Professionals available to assist and provide lessons to our members. The Golf Shop is well stocked with the most up to date golf equipment and apparel to accommodate the needs of each of our members.

We take great pride in our Restaurant and Catering Operations and believe that we offer the best food around. We offer full banquet and catering services to our members and their guests. During the season, our Grand View Dining Room and Grille Room are open six days a week for lunch and dinner, as well as for breakfast on the weekends.

Our large “L” shaped pool is a genuine source of family enjoyment. During the summer season, we have a very active swim team that competes with other private country clubs in the surrounding area. Our youth center, the Kids Corner, is staffed with child care services and many activities for our members’ children. The Kids Corner and Pool are open from Memorial Day weekend through Labor Day weekend. We believe that our championship golf course, full service clubhouse, swimming pool, and youth center make Spring Meadows Country Club one of the premiere country clubs in Genesee County.
